

It's not easy putting on an event of this magnitude but "Team SCMC" came through again this year with 220 cars in attendance. We managed to not just get done, but we finished early with judging completed in just over an hour and a half.

Thanks to the following sponsors and people who helped to make the 9th Annual SCMC/Parkway Ford event a huge success.

Parkway Ford – without them there would not be a show. A big "Thank You" to Tom Paulson and Paul Ramsey and the Parkway team for helping to organize the biggest Mustang show in central NC. The next time you are looking for a new or previously owned car, be sure to give Parkway Ford a shot at your business. Visit their website at www.parkwayford.com.

Pro-Dyno – Dan, Paul, and their team gave away two free "dyno pull" sessions where someone can measure their horsepower and get professional opinions on what you can do to get more giddy up out of your pony car. Visit Dan's website at www.pro-dyno.com.

Silver Horse Racing – SHR gave away some very nice door prizes including a duffle bag, GT gas cap, rear taillight panel cover, and shifter bezel. Their quality is second to none so be sure to visit the Silver Horse Racing website at www.silverhorseracing.com for more products and services. Thanks to Lynn and Marcell Canitano for their support.

Stage 3 Motorsports – Thanks to Bill and his team at Stage Three Motorsports for their support. Their cool tee shirts will look great on anyone especially if you are a Roush owner. Be sure to visit Stage 3 at www.stage3motorsports.com for other cool product offerings.

Rich Riley – Thanks to Rich for the oil and fuel filter. We're sure the items will come in very handy.

Detail Envy – Thanks to Mike and Tina Boyle for their generous support by offering a very nice detail kit. You can never have enough detailing products. Be sure to visit Mike's website at www.detailenvy.com for other product offerings.
