

# FULL THROTTLE Fall Fest

**VIR**  
Virginia International Raceway

November 21-22, 2015

**Full Throttle Fall Fest - 2015**

**Virginia International Raceway  
Alton, VA**

**November 21-22, 2015**

*SCMC is a enthusiast based organization, and is not affiliated with Ford Motor Company or any of its subsidiaries.*

*Track Club USA, LLC, is the sister club to SVT Cobra Mustang Club. (SCMC)*

Welcome to the ***Full Throttle Fall Fest 2015*** event at Virginia International Raceway in Alton, VA. The SCMC and Track Club USA would like to thank all of you for coming out and participating in FTFF15. We will be running the full course all weekend and this layout consists of 3.27 miles of open track fun. If, at any time you have any questions concerning this event, please feel free to ask Pat Madigan or Tony Sorrentino for assistance.

This information packet consists of a track layout, an instructor-student schedule, necessary forms, and an itinerary for this event. Please remember, as a student, you are responsible for the following: (For your convenience all necessary forms are at the bottom of this correspondence)

**A helmet** - Rated Snell 2005 or better and helmet release form (attached)

**Pre-technical Inspection on your vehicle** (attached)

**Lunch** - Can be purchased at the concession stand

**Medical release forms** (attached)

**Long sleeve shirt and pants**

**A positive attitude**

Over the weekend we will have a series of meetings and short classroom sessions. The morning meeting portion will consist of the following:

**Introduction to Event** – Pat Madigan

**Track layout and Safety** - Bill Foster

**Flag Recognition** - VIR Track Stewart

**Open Forum** - Pat Madigan

**Introduction of students and instructors** – Tony Sorrentino

The purpose of SCMC/TCUSA schools is to teach you to be a better driver, learn the characteristics of your car, and to have fun with fellow automotive enthusiasts. Each new student will be provided with an experienced in car instructor. Most instructors are either NASA, TCUSA, or SCCA trained instructors. Your instructor is not there to drive your vehicle but rather lead, guide, and direct you to better handle your vehicle while driving in a closed, controlled environment.

Your instructor will provide you with feedback about your driving skill in a constructive positive manner. They will determine if you are ready to drive solo. They will also determine if you are ready to move up to a different group. This will depend on the skills and efforts you have demonstrated to them while driving the road course. Feel free to discuss any problems or concerns you have with your instructor; they are here to help you become a better driver. You must first get permission from your instructor to move up into another run group and then consult an event organizer, for final approval.

We hope you will have a pleasant rewarding experience at the SCMC/TCUSA Fall open-track driving event at Virginia International Raceway and we look forward to having you back on April 29-May 1, 2016 for our **SVT Super-fest- 2016**. Let's have a safe, fun weekend at the track!

### **Thanks to our Sponsors and Contributors**

**The SCMC/TCUSA would like to thank the following people that have made this event possible.**

# SCMC/TCUSA Driver School Series

## PRE-EVENT TECHNICAL INSPECTION FORM

Engine Compartment / Interior

Battery securely fastened

Brake fluid: level, system bled, fresh fluid -

Brake lights: all working

Brake pedal: firm

### REQUIRED

Date of last fluid change: \_\_\_\_\_

(must be within 6 weeks to date of event)

No visible fluid leaks (gas, oil, coolant, hydraulics)

Throttle linkage: no sticking/ sloppiness

Coolant system: level, condition of hoses, no leaks, hose clamps are tight

Windshield wipers: working and good condition

Pressure test radiator cap

Mirrors: left-hand exterior and interior  
REQUIRED

All V-belts properly tightened; inspect for wear, cracks, fraying

On lift and under car

Condition of tires, both sidewall and tread. Minimum of 2/32" tread. H, V, or Z speed rating recommended. This requirement may be waived for special open track tires.

Check wheel bearings for excessive play

Brake pads & calipers: Adequate pad thickness (at least 1/2 pad left). Rotors within factory specs. Calipers working properly. Hoses, lines, calipers clean and dry.

Steering linkage and suspension: No excessive play. Suspension mounting: no cracks or excessive rust.

Braided or stainless steel lines for 1996-1998 Cobras.

Check rear engine & transmission seals for excessive seepage

Check for hydraulic leaks at wheels and clutch slave cylinder

Check half-shaft bolts for looseness  Wheels straight, no cracks

Check transmission and differential fluid levels  Exhaust: no under car leaks

Other

Windshield free of cracks

Seat belts: both front seat belts are properly operable and in good condition. If you have aftermarket harnesses then they should be anchored as close to horizontal from the seat back in order to prevent spine compression. Essentially, floor mounted harnesses are not advisable to use in this event.

If roll bar equipped: adequate padding required on a roll bar/cage installation at any possible contact with driver or passenger

Inspecting Service Shop: \_\_\_\_\_ Date: \_\_\_\_\_

Mechanic: \_\_\_\_\_

I understand that the condition of my car is my responsibility and the technical inspector is not responsible for any potential failure of my car.

Owner signature: \_\_\_\_\_ Date: \_\_\_\_\_

## *SCMC/TCUSA Driver School Series*

### HELMET ACKNOWLEDGMENT AND RELEASE

I/We acknowledge that the inspection of my helmet by members of the SCMC/TCUSA, Inc., is for the sole purpose of determining whether my helmet has met the minimum standards of the Snell Memorial Foundation. It appears from a visual inspection to contain the appropriate Snell rating sticker, and to be capable of meeting those standards at the present time. I acknowledge that the Clubs are making no guarantee of fitness or use in "passing" my helmet, and that I am relying solely on my own judgment in using the helmet in the Club's event. I release, acquit, and forever discharge the SCMC/TCUSA, their officers, members, employees, lessors, associates, successors, or assigns, from any and all liability, claims, demands or causes, which may arise from my wearing of the inspected helmet, from my attendance at this club event, or from any injury sustained by me, whether or not due to negligence.

I represent that I am at least 18 years of age and that I understand I am participating in a dangerous event which may result in serious injury and even death. I further acknowledge that my helmet has not been previously worn in a collision or struck by a hard object. I also understand that motorcycle helmets are not permissible for this event unless they are SA approved.
