

Jason Roberts Brings Home the Bacon, the hardware, and everything else at the Fall SMC/MGW Shootout at Carolina Dragway!

(Tony Sorrentino on left presenting Jason Roberts with his first SMC plaque)

Congratulations to Jason Roberts who won the bracket-racing contest at the SMC/MGW 2003 Fall shootout. He took home a great looking plaque and \$200.00 in cash. A second congratulations on the upcoming addition to his family in a few short months too. 😊

As you can see, Jason owns a beautiful 1996 Mystic Cobra. The Snake is equipped with 2003 Cobra wheels and a Kenne Belle Supercharger. Jason ran consistently all day long with 12.3's. Even when matched up against the automatic cars with brake line locks, he still out ran them in the consistency department.

If you'd like to take him on then you will have your chance at the Spring Shootout on February 28, 2004 in Jackson, SC at Carolina Dragway.

(We had a great turnout at the event)

Additional coverage and winners list will be posted in the club's January newsletter of *Snakebite*.
